[Verse 1]

```
      G
Are you still in love with me
      Cadd9                G      Cadd9
Like the way you used to be or is it changing?
      G
Does it deepen over time
      G                        Cadd9
Like the river that is winding through the canyon?
```

[Verse 2]

```
      G
Are you still in love with her?
      Cadd9                G      Cadd9
Do you remember how you were before the sorrow?
      G
Are you closer for the tears
      Cadd9                G      Cadd9
Or has the weight of all the years left you hollow?
```

[Chorus]

```
      G                D/F#
Are we strangers now?
      Cadd9

Are we strangers now
      Cadd9                G      Cadd9
Like rock and roll and the radio?
