Intro:

G **C** **D**
I was wrong when i hurt you
 G **Em**
But did you have to hurt me too
 C **D**
Did you think revenge will make it better
G **C** **D**
I don t care about the past
 G **Em**
I just want our love to last
 C **D**
There s a way to bring us back together

Chorus:

C **D**
I must forgive you
 G **Em**
You must forgive me too
 C **D**
If we wanna try to put things back
 G
the way they used to be
 C **D**
cause there s no sense in going over and over
 G **Em**
The same things as before
 C **D** **G**
So let s not bring the past up anymore

G **C** **D**
Out of all the good we had
 G **Em**
You only keep track of the bad
 C **D**

G **C** **D**

Didn t anyone tell you yet

That to forgive is to forget

C **D**

How can you be mad if you don t remember

Repeat Chorus:

C **D**

I must forgive you

G **Em** **C**

And you must forgive me too

D

It s the only thing that s left

G **Em** **C**

that we haven t try to do

D

One thing that i m sure will work

G **Em**

That we haven t tried before
