Intro:

A **D** **E**
I was wrong when i hurt you
 A **F#m**
But did you have to hurt me too
 D **E**
Did you think revenge will make it better
A **D** **E**
I don t care about the past
 A **F#m**
I just want our love to last
 D **E**
There s a way to bring us back together

Chorus:

D **E**
I must forgive you
 A **F#m**
You must forgive me too
 D **E**
If we wanna try to put things back
 A
the way they used to be
 D **E**
 cause there s no sense in going over and over
 A **F#m**
The same things as before
 D **E** **A**
So let s not bring the past up anymore

A **D** **E**
Out of all the good we had
 A **F#m**
You only keep track of the bad
 D **E**

A **D** **E**

Didn t anyone tell you yet

A **F#m**

That to forgive is to forget

D **E**

How can you be mad if you don t remember

Repeat Chorus:

D **E**

I must forgive you

A **F#m** **D**

And you must forgive me too

E

It s the only thing that s left

A **F#m** **D**

that we haven t try to do

E

One thing that i m sure will work

A **F#m**

That we haven t tried before

Let s not bring the past back anymore
