```
Tell me I m wrong
It s survival of the fittest
I don t owe no man no living
I say those who ain t here legal don t belong
I got no problem with the Church
And I ll help you if you can t work
                                                Cadd9
There s no room in my heart for those who want
           D
                   Cadd9 G
Tell me I m wrong
It s survival of the fittest
I don t owe no man no living
I say those who ain t here legal should get gone
I got no problem with the Church
And I ll help you if you can t work
                                                Cadd9
There s no room in my heart for those who want
           D
                   Cadd9 G
Tell me I m wrong
                      Cadd9
This country s on the road to hell
                 Cadd9
One nation under someone else
They re pushing God out of the room
                                   Cadd9 G
Clear from the White House down to Junior School
I can t see how that makes us better off
                   Cadd9 G
Tell me I m wrong
                   Cadd9 G
```

Tell me I m wrong
