INTRO: D C G D (2x)

She said goodbye
Then it s like she fell right off this earth
Six long nights
Ain t seen hide nor hair of her

And this old Lazyboy
Is feelin like my only friend
And there s sunshine shinin on the world outside
But there ain t none shinin in

CHORUS:

Startin now, somehow
I gotta leave her in my past
Walk this floor right out that door
Before these walls start talkin back

INTRO

And I bet the neighbors think
Either I skipped town or I bought the farm
I got my shades pulled down
And there s a week s worth of papers in the yard
Hey what was that?
Did I just hear somebody call my name?

D **C**
Oh Lord knows I m just a few thoughts shy
G **D**
Of bein certified insane

CHORUS, yeah that s a fact

SOLO

CHORUS, get me outta here
