Friends (Ray Thomas)

D **G**
A long time ago when we met you were lonely

D **G**
I helped you forget life was solely only a wish to survive

D
And blood flows much thicker than wine

G
Friends who give up their time to be near you

D **G**
Sing you a song just to cheer you, you will be rich in the end

D
Brother now you ve got a friend

Bm **F#m**
Life hurries by in the wink of an eye almost without meaning

Bm **F#m**
Days speeding past like the wind hard to grasp no wonder you re bleeding

A **G**
Friendship is needed today

D
Or tomorrow is empty and we need each other please stay

G
For our only hope is together

D **G**
We ll live in much calmer weather, and we ll make a beautiful blend

D
Brother now you ve got a friend

G
