I Wish We Could Fly (Ray Thomas)

**C** **Dm** **Em**  
You can t buy a dream, then expect your schemes, to appear brand new

**F** **Em** **Dm**  
Like the way you do, it s not hard to find, deep inside your mind

**C G F C**  
Which road will take you home

**Dm** **Em**  
Now you know that rain, never falls in vain, for the seed must grow

**F** **Em** **Dm**  
Its glory shows, in the summer sun, while our world is young

**C G F C**  
They reach to touch the sky

**C/B** **Am**  
I wish we could fly, I wish we could fly, how I wish, we could fly

**C** **C/B** **Am** **G** **F** **C**  
I wish we could fly, I wish we could fly, how I wish, we could fly

Then we d see, far more clearly, maybe then we d know

**C/B** **Am** **G** **F** **C**  
The best way we should go, man just has to grow, and grow, and grow

**Dm** **Em**  
All the air we breathe, and the warmth we need, it s given to us free

**F** **Em** **Dm**  
Like you loving me, throughout our days, in so many ways

**C G F C**  
Helps me reach, to touch my sky

**Dm** **Em**

But I can't explain, self-inflicted pain, when there's room for all

**F** **Em** **Dm**  
To play life's game, and as we know, our love must grow

**C** **G** **F** **C**  
Or we'll never touch the sky

& I wish we could fly, I wish we could fly, how I wish, we could fly

**C** **C/B** **Am** **G** **F** **C**  
I wish we could fly, I wish we could fly, oh how I wish, we could fly
