Shes A Queen
Ray Wilson

My first tab ever, sounds rather well I think

CAPO 2 (can be played without a capo, but is alot easier with)

Fmaj7 G Am C (x2)
(G = alternate x32003 / x32013 with stroke 1 and C = alternate = x32010 / X30010 with
stroke 2, the first time only)
(I) means sweep the chords just once with mediator and let ring

I:
Fmaj7   **G**   **Am   C**
She was put on earth to complicate my life
Fmaj7   **G**   **Am   C**
To question the decision that I made
Fmaj7   **G**   **Am   C**
To be there where I feel alone at night
Fmaj7   **G**   **Am   C**
And when I wake

II:
Fmaj7   **G**   **Am   C**
She knows every choice I make I make for her
Fmaj7   **G**   **Am   C**
And without a doubt it only makes things worse
Fmaj7   **G**   **Am   C**
When I ask her get no answer that means no
Fmaj7   **G**   **Am   C**
And that s for sure

III:
Fmaj7   **G**   **Am   C**
I m aware that I can only go so far
Fmaj7   **G**   **Am   C**
And afraid to reach the point of no return
Fmaj7   **G**   **Am   C**
The reactions are instinctive and in live
Fmaj7   **G**   **Am   C**
With life resigned, what s sure his mind

IV :
Fmaj7 (I)   **G** (I)   **Am** (I)
She s a queen
Fmaj7 (I)   **G** (I)   **Am**(I)
Fmaj7 (I)   **G** (I)   **Am**(I) **C**(I)
She s a queen
Fmaj7 (I)   **G** (I)   **Am**(I)

She s a queen

V:
Fmaj7   **G**   **Am**   **C**
She never tells me what been on her mind
Fmaj7   **G**   **Am**   **C**
I just look around to answers all the time
Fmaj7   **G**   **Am**   **C**
There s a million different reasons And I try so hard to find them
Fmaj7   **G**   **Am**   **C**
Just because, she s the one

VI:
Fmaj7   **G**   **Am**   **C**
She s a queen, much more than a lady
Fmaj7   **G**   **Am**   **C**
She s a queen, she will always be my baby
Fmaj7   **G**   **Am**   **C**
She s a queen, there could never be another one
Fmaj7   **G**   **Am**
She s a queen, always

VII:
Fmaj7
Can t imagine life without her
Fmaj7
Since we met it just gets better
Am
There could never be a way
Am
I could ever just forget her
Fmaj7
From the first day I would show
Fmaj7
And it hasn t change since then
Am
My life was so unclear
Am
And now it all makes sense again
Fmaj7   **G**
I would struggle to find anyone
Am   **C**
Who has any given reason
Fmaj7   **G**
Why I shouldn t feel the same
Am   **C**
Why I shouldn t keep believe in
Fmaj7   **G**
There s a million different reasons
Am   **C**
And I try so hard to find them
Fmaj7   **G**   **Am**   **C**
Just because, she s the one

```
VIII:
Fmaj7(I)      G(I)            Am(I)
She s a queen, much more than a lady
Fmaj7(I)      G(I)            Am(I)
She s a queen, she will always be my baby
        Fmaj7  G                                      Am    C
She s a queen, there could never be another one
Fmaj7                  G                              Am    C
She s a queen, always
Fmaj7    G Am C
Always, always, always, always
Fmaj7 (END)

Fmaj7 = 033210
G     = 320003
Am    = X02210
C     = x32010
```
