Morning comes and I must go; day is breaking yonder

**Am** **Em** **F** **C - F** **G** **C**

After all the places I have been, now Iâ€™m going home.

(same chords)

I have been to seek the sky, to travel on the highway

And the time has come, I donâ€™t know why

I am going home.

CHORUS 1

**C** **F** **C** **F**

Where is the answer to so many questions

**C** **Dm** **G**

I donâ€™t know, so I begin another journey

**C** **F**

Where is the meaning for my world

**G** **C**

I see the answer now.

(same chords with verse 1)

Though we came by different roads, now we walk together  
Stay beside me all our days, strangers never more.

Through the cool of summer rains; by the heart-side fire  
Here Iâ€™ll be with you when nothing remains  
I am home to stay.

CHORUS 2

Love is the answer to so many questions  
Now I know, and I can stop my endless wandâ€™ring  
Love gives the meaning to my world  
I see the answer now.

**C**                                  **F**      (pause)                  **C**

Love is the Answer. . .                  Love!
