Razorlight - Hostage of Love

Capo 7th Fret

You ll have to listen to the song for the strumming pattern.

Intro: **Em - C - Em - C - D** x 2

Verse 1:

(**Em - D - C**)

You make yourself, a prisoner of me
You blind yourself, so you don t have to see
You turn your life, to a power above
And make yourself,
A hostage of love
You turn from me, you turn from the strain
Devote yourself, to the power again
Distance yourself, from what we avowed
You broke the rules,
Your my hostage now

(Intro x 2)

Verse 2:

(**Em - D - C**)

I am a sinner, I am a saint
I am a devil
I am the ghost at the wake
I feed the swell and pull
Of your tears as they break
I am the limit of
The load you can take

Verse 3:

(**Em - D - C**)

You are the pulley
And I am the winch

I am salvation
Am your herald of sin
I take you beyond
Your limits of trust
Ransom yourself
Hostage of love

Chorus:

G **D** **C**
You say you have been born again
G **D** **C**
Since you slept there in that liar s den, den
C **G** **D**
You cannot be saved
C **G** **D**
You gave your innocence away
Em
Oooohhh ooooh

* (**Em** - **D** - **C**) x 2

Verse 4:

(**Em** - **D** - **C**)

I ve turned my cheek
And I ve suffered the blow
Truth of my story
Is widely unknown
Words of derision I have
Swallowed with a smile
For telling my story I have been crucified

Verse 5:

(**Em** - **D** - **C**)

Now like a madman
I give my laurels to you
And like a hero
Forsake my trophies for you
Though a deciple of this devil
That is in our blood
Am I not also
Your hostage of love

 You say you have been born again
 G **D** **C**
 Since you slept there in that liar s den, den
