Somewhere Else
Razorlight

This is my updated version of the excellent new razorlight song

[Intro](strum chords once)
Bm E A Fm#

[Then freak out]
Bm E A Dx2

[Verse]
```
     Bm*
Your an emotional wreck
            E
You dont know who you are
   A                    Fm#
You never say what you mean
    Bm*                            E
But you keep your mouth shut and your (mind?) stay`s still
   A                        Fm#
And then you come and call on me
```

[Chorus]
```
      Bm*                      E
You say i just can`t help myself
   A              Fm#
I really really wish i could be
Bm*          E            A
Somewhere else , than here
```

[Verse 2]
```
D           Bm*     D                  Cm#
I met a girl, she asked me my name
                      D
I told her what it was
D               Bm*
She looked at me
   D               Cm#                        D
I tried to explain , exactly what i`d lost
```

[Chorus]
```
      Bm*                          E
But now i just can`t help myself
   A              Fm#
I really really wish i could be
  Bm*           E            A
somewhere else , than here
         Bm*                      E
You give me everything i need
```

```
         A                    Fm#
But i really really wish i could be
   Bm*          E           A
Somewhere else , than here
                 Fm# A                    Fm#
Just anywhere else, just anywhere else than here
Bm E A           D
    Now i`ll forget
Bm E A           D
    Now i`ll forget
Bm E A               D
    Now i`ll forgeeeeeet
```

[Verse 3]
```
        Bm*                     E
And when i saw you there it was the first time
    A                  Fm#
and you just walked on by
    Bm*                         E
I was catching the sparks that flew from your heel`s
A                    Fm#
Trying to catch your eye
```

[Chorus]
```
            Bm*           E  Bm*          E  Bm*           E
But that was somewhere else , somewhere else , somewhere else
   A            Fm#         Bm*        E Bm*        E Bm*           E
I really really wish i could be somewhere else,somewhere else,somewhere else
   Bm*                    E
You give me eveything i need
      A                 Fm#
But i really really wish i could
   Bm*               E         A            Fm#
I got everything i need but i really really wish i could be
Bm*        E  Bm*           E  Bm*           E
Somewhere else , somewhere else , somewhere else
     A            Fm#
I really really wish i could be.
```
