

Colour Me In
Rea Garvey

Capo 1

C C F C

C

Tell me
What is a life?
A life without colours
Can you see them?
Have the years made us blind?

F

As a child
Living life's imagination

C

You'd close your eyes
And all the colours went wild

G

F

Now the outlines been drawn

G

On an empty page

F

And I've opened my eyes

C

And you you you

G

You colour me in

Dm

Turn me round when I'm wrong

F

You make me strong

C

You colour me in

C

Have you ever stopped and listen to your heartbeat?
Did the tears make the colours start to fade?

F

If all the wrongs we ever did were not forgiven

C

Time would stop
And the world would turn to grey

G

F

You know I carry you with me
Night and day

G **F**
Yeah you've opened my eyes

C
And you you you

G
You colour me in

Dm
Turn me round when I'm wrong

F
You make me strong

C
You colour me in

Yeah you you you

G
You colour me in

Dm
You're the blue skies above

F
You're so easy to love

C
You colour me in

Am
Pictures of angels

F
Floating above

Am
We all need

G
To be painted with love

C
And you you you

G
You colour me in

Dm
Turn me round when I'm wrong

F
You make me strong

You colour me in

And you you you

G
You colour me in

Dm
You're the blue skies above

You're so easy to love

C
You colour me in

You colour me in
