

**G** **F**  
Yeah you've opened my eyes

**C**  
And you you you

**G**  
You colour me in

**Dm**  
Turn me round when I'm wrong

**F**  
You make me strong

**C**  
You colour me in

Yeah you you you

**G**  
You colour me in

**Dm**  
You're the blue skies above

**F**  
You're so easy to love

**C**  
You colour me in

**Am**  
Pictures of angels

**F**  
Floating above

**Am**  
We all need

**G**  
To be painted with love

**C**  
And you you you

**G**  
You colour me in

**Dm**  
Turn me round when I'm wrong

**F**  
You make me strong

**C**  
You colour me in

And you you you

**G**  
You colour me in

**Dm**  
You're the blue skies above

**F**  
You're so easy to love

**C**  
You colour me in

**G**

You colour me in

**Dm**

You're the blue skies above

**F**

You're so easy to love

**C**

You colour me in

**C**

Tell me

What is a life?

A life without colours
