

**My Child**

**Rea Garvey**

**A**

If i was to tell my child

Tell her what I think is right

What would I say to her

Where will I find the words

**F**

Is in the end

**D**

Trust in me

**C**

To see me through

**F**

In the End

**D**

Youâ'll have to trust in me

**C**

To do the same for you

**A**

Maybe these words, are like

nothing youâ've heard

**G**

But hear me out

Please hear me out

**A**

You got all that you need

Please believe

**G**

You can trust in me (2x)

**F**

Cause in the end

**D**

Iâ'll trust in you

**C**

To see me through

**F**

But until then

**D**

Cause to trust in me

**C**

To do the same for you

**F**

Cause one of these day

**D**

So what do you say

**A**

IÂ'll be following you

**G**

IÂ'll be following you

F---d---C 2x

**F**

Cause in the end

**D**

IÂ'll trust in me

**C**

To see me through

**F**

And until then

**D**

YouÂ'll have to trust in me

**C**

To do the same for you

**F**

Yeah in the end

**D**

IÂ'll trust in you

**C**

To see me through

**F**

And until then

**D**

YouÂ'll have to trust in me

**C**

To do the same for you

**F**

Yeah in the end

**D**

And I trust in me

**C**

Trust in you

**F**

Cause this trust in me

**D**

Is the same trust in me

**C**

That trusts you...
