

**Easy**  
**Real Estate**

**C** **Am**

Back when we had it

**D F G**

So easy

**C** **Am**

I would surrender

**D F G**

Completely

**C** **Am**

I built a shelter

**D F G**

For green beings

**C** **Am**

In the sun

**F G**

In the sun

**Am** **C** **F** **G**

Around in the fields we grew

**Am** **C** **F** **G**

With love for everyone

**Am** **D** **F** **G**

Dreams we saw with eyes of hope

**Am** **C** **F** **G**

Until that dream was done

**C**                    **Am**

I used to be

**D**   **F**   **G**

So confuse

**C**                    **Am**

Now you just want to

**D**   **F**   **G**

Say to you

**C**                    **Am**
