 from my worse broken heart to a world that just seems
C#m A E B C#m A E B
 to move on... Dance with the wind, now she's gone.

I ve been down on my luck
Yeah I ve fallen from grace.
I ve had beautiful eyes stare me right in the face.
And move on...
Dance with the wind,
now she s gone.

[Pre-Chorus]

F#m **A**

No need to talk about it. Like it won't happen,

E **B**

cause the chances are that it will.

[Chorus]

A E B
 And moments like this will bring you down.
 A E B
 Moments like this will bring you round.
 A E B
 Moments like this will make you strong.

 Now that they re gone.

No more searching for signs
for a song I can sing.
Now I m living my life
like a bird on a wing.
Movin on...
Dance with the wind,
feeling strong.

just get it started.
