

**Strong**  
**Reamonn**

**Am**                    **C**                    **G**                    **F**  
I see the fear in the things we don t understand  
**Am**                    **C**                    **G**  
I see the fear in another blind man  
**Am**                    **C**                    **G**                    **F**  
I can t hold back this fire that stills inside  
**Am**                    **C**                    **G**  
I can t hold back who I am

**C**                    **G**  
I know you re strong  
**Am**                    **F**  
And I know you belong  
**C**                    **G**  
I know you re strong  
**Am**                    **F**  
my beautiful one

I know you re strong  
I know you belong  
I know you re strong  
my beautiful one

I can t turn away from what I believe  
I can t destroy our saviour oh no oh no oh no  
I know the beauty in all that I can see  
I can t hold one what you can t release

**C**                    **G**  
I know you re strong  
**Am**                    **F**  
And I know you belong  
**C**                    **G**  
I know you re strong  
**Am**                    **F**  
my beautiful one

I know you re strong  
And I know you belong  
I know you re strong

my beautiful one

**C**

Cause I can t hold you

**G**

And I can t hold me

**Am**

And I can t hold on

**F**

To what they can t believe

**C**

And I can t hold you

**G**

And I can t hold me

**Am**

And they won t understand

**F**

Till the blind man sees

I know you re strong

My beautiful one

**C**

**G**

I know you re strong

**Am**

**F**

And I know you belong

**C**

**G**

I know you re strong

**Am**

**F**

my beautiful one
