YESTERDAY

Intro: Dm

**F** **Bb** **C** **Dm**  
I know you can see me, god knows you can hear me  
**C** **F** **Bb** **Dm**  
I m standing outside your door, watching you slip away.  
**F** **Bb** **C** **Dm**  
Will like when to love is kiss, I felt denial, why do we do this  
**Am** **Bb** **C**  
there s so much left to say, oh please open up.

Refr.:

**F** **C** **Am** **Bb**  
We can turn back the time so you and me can make this feel right  
**F** **C** **Am** **Bb** **F**  
we go back to the start before it all starts falling apart.  
**Bb** **F** **C** **F**  
Yesterday was the day when everything felt right  
**Bb** **F** **C** **Am** **Bb** **F** **C**  
you and me we belong to yesterdays li-----fe,  
**F** **Bb** **F** **C** **Dm**  
to yesterdays li-----fe.

2nd verse

**F** **Bb** **C** **Dm**  
And if its so easy for you to leave me,  
**C** **F** **Bb** **Dm**  
why did you say goodbye with tears in your eyes.  
**F** **Bb** **C** **Dm**  
You said that you staying in, watching your world on your TV-screen  
**Am** **Bb** **C**  
but there s nothing on film tonight, you know I m right so

Refr.:

**F** **C** **Am** **Bb**  
turn back the time so you and me can make this feel right  
**F** **C** **Am** **Bb** **F**  
we go back to the start before it all starts falling apart.  
**Bb** **F** **C** **F**  
Yesterday was the day when everything felt right  
**Bb** **F** **C** **Am** **Bb** **F** **C**  
you and me we belong to yesterdays li-----fe,  
**F** **Bb** **F** **C** **Dm**  
to yesterdays li-----fe.

Bridge:

Everyone crashes in birth, everyone tries to move on  
Tell me will we ever return, to when we both felt so young  
Everyone have ever known, just trying to make it on their own now  
I thought that we where do any right, and now I just want to

Refr.:

turn back the time so you and me can make this feel right  
we go back to the start before it all starts falling apart.  
Yesterday was the day when everything felt right  
you and me we belong to yesterdays li-----fe,  
to yesterdays li-----fe.  
to yesterdays li-----fe,  
to yesterdays li-----fe.

END.
