It s the baby s birthday party that brings us so much cheer
A (Spoken)
Now kids the presents that all of you exchange on Christmas, represents the gifts that
baby Jesus received the night he was born. He got all his presents from three
wise men, who followed a star and walked a long long way to the stable. So everytime you
tear open
one of your presents, think about that baby and say Happy birthday Jesus, I ll
open this
one for you
