

He Broke Your Memory Last Night  
Reba McEntire

G Bm C Am7  
Like a rare piece of crystal, like a fine china cup  
D G  
I kept your memory all safely locked up  
G Bm C Am7  
Afraid I could never love somebody new  
C C/B C C/B Am7  
I was trying to save what I had left of you

Refrão -----

G C  
 Then he broke your memory last night  
 D Am7 G D  
 I felt it shatter inside  
 G B7 C C/B Am7  
 I guess he held me a little too right  
 G D G  
 He broke your memory last night  
 -----

The moment he touched me with his gentle hands  
Your memory crumbled like a house built on sand  
He swept all the pieces of your love away  
And then gave me his love to put in it s place

Chorus

He broke your memory last night
