Even if this loves to die for  
**C#**  
Cause your bags are packed and I ain t cryin  
  
You re walking out and I m not trying  
**Bb**  
To change your mind cause I was born to be

[Chorus]

**G#**  
The baby girl without a chance  
**Eb**  
A victim of circumstance  
**Fm7 Eb**  
The one who ought a give up,  
**G# Bb**  
but she s just too hard headed  
**G#**  
A single mom who works two jobs  
**Eb**  
Who loves her kids and never stops  
**Fm7 Eb G#**  
With gentle hands and a heart of a fighter  
**Bb Fm7 - Eb - Eb/F# - G# x2**  
I m a survivor

**Fm7 Eb**  
I don t believe in self pity  
**Eb/F# G#**  
It only brings you down  
**Fm7 Eb**  
May be the queen of broken hearts

But I don't hide behind the crown  
When the deck is stacked against me  
I just play a different game  
My roots are planted in the past  
And though my life is changing fast  
Who I am is who I want to be

[Chorus]

The baby girl without a chance  
A victim of circumstance  
The one who ought to give up,  
but she's just too hard headed  
A single mom who works two jobs  
Who loves her kids and never stops  
With gentle hands and a heart of a fighter  
I'm a survivor

(Instrumental) G# - Eb - Fm7 - Eb - G# - Bb

A single mom who works two jobs  
Who loves her kids and never stops  
With gentle hands and a heart of a fighter  
I'm a survivor  
But I must have had my mama's will  
And God's amazing grace  
(I'm a survivor)
