Ebm7 C#
But I must have had my mama s will
C#/F# F#
And Gods amazing grace
Ebm7 C#
I guess I ll keep on livin
C#/F# F#
Even if this loves to die for
B
Cause your bags are packed and I ain t cryin

You re walking out and I m not trying
G#
To change your mind cause I was born to be

[Chorus]

F#
The baby girl without a chance
C#
A victim of circumstance
Ebm7 C#
The one who ought a give up,
F# G#
but she s just too hard headed
F#
A single mom who works two jobs
C#
Who loves her kids and never stops
Ebm7 C# F#
With gentle hands and a heart of a fighter
G# Ebm7 - C# - C#/F# - F# x2
I m a survivor

Ebm7 C#
I don t believe in self pity
C#/F# F#
It only brings you down
Ebm7 C#
May be the queen of broken hearts

C#/F# **F#**
But I don't hide behind the crown
Ebm7 **C#**
When the deck is stacked against me
C#/F# **F#**
I just play a different game
B
My roots are planted in the past

And though my life is changing fast
G#
Who I am is who I want to be

[Chorus]

F#
The baby girl without a chance
C#
A victim of circumstance
Ebm7 **C#**
The one who ought to give up,
F# **G#**
but she's just too hard headed
F#
A single mom who works two jobs
C#
Who loves her kids and never stops
Ebm7 **C#** **F#**
With gentle hands and a heart of a fighter
