E/F# **A**
And Gods amazing grace
F#m7 **E**
I guess I ll keep on livin
E/F# **A**
Even if this loves to die for
D
Cause your bags are packed and I ain t cryin

You re walking out and I m not trying
B
To change your mind cause I was born to be

[Chorus]

A
The baby girl without a chance
E
A victim of circumstance
F#m7 **E**
The one who ought a give up,
A **B**
but she s just too hard headed
A
A single mom who works two jobs
E
Who loves her kids and never stops
F#m7 **E** **A**
With gentle hands and a heart of a fighter
B **F#m7 - E - E/F# - A** x2
I m a survivor

F#m7 **E**
I don t believe in self pity
E/F# **A**
It only brings you down
F#m7 **E**
May be the queen of broken hearts

E/F# **A**
But I don't hide behind the crown
 F#m7 **E**
When the deck is stacked against me
 E/F# **A**
I just play a different game
 D
My roots are planted in the past

And though my life is changing fast
 B
Who I am is who I want to be

[Chorus]

A
The baby girl without a chance
 E
A victim of circumstance
 F#m7 **E**
The one who ought to give up,
 A **B**
but she's just too hard headed
 A
A single mom who works two jobs
 E
Who loves her kids and never stops
 F#m7 **E** **A**
With gentle hands and a heart of a fighter
