**D** **F**  
Nannie s going crazy and she lost everything she had  
**C** **Am** **E**  
Jody s hooked on drugs we have her husband to thank for that  
**D** **F**  
Her kids are spoiled shits who seem to bitch nonstop

And they re always finding new ways to piss Greg off

(chorus)

**G** **F**  
And that s the family I ve had to live with everyday  
**C** **Am** **E**  
Me I m prefect in every single way  
**G**  
If God would only make more of me  
**F**  
The world would just be dandy  
**C** **Am** **E**  
But in stead God made my family

Jeremy s not so bad when you give Him a quarter sac  
And Michael s pretty happy with a six pack  
David s always gone God knows what he s hooked on  
And Texas seems to be his second home

(repeat chorus)
