Got my headphones on and I m under
In a dream but I m wide awake

Play it aloud
Sing it from my heart
Sing it from my heart, yeah, yeah, yeah, yeah

Turn it up, turn it up
I feel ya now
Sing it from the heart

You make me smile
When I ve got you here with me

I m dreaming again
So get outta my way
Life goes fast, so you gotta make it last
No matter what they say

Sing it from my heart
Sing it from my heart, yeah, yeah, yeah, yeah
It s alright, it s alright

I feel you now
Sing it from my heart
Sing it from my heart, yeah, yeah, yeah, yeah
It s alright, it s alright
Be alright
