

Many fears, many dreams

**C#** **D#**

Many roads out there

**G#** **D#**

Hide the pain behind the smile

**G#** **C#**

Behind the tears

There was never time enough

I can't breathe

It's too hard to think of love

I can't breathe, I can't breathe

**F** **C** **Bes** **C** **F** **C** - **Bes**

**G#** **D#**

Many fears, many dreams

**C#** **D#**

Many roads out there

**G#** **D#**

Hide the pain behind the smile
