

Sometimes

Rebecca Lavelle

G-C 4x

G C
Sometimes at the edge of sight
G C
Something moves which isn't there
G C
You turn to look but it's gone, it's gone
G C
Was it ever really there
G
Yet it touches you
D
Softly touches you
C D
And then begins again

G C
That scent of roses
G C
The sound of sea
G
A breath of wind on your face

G
They take you back
D
They take you there
C
To that place long ago
G
And you want so much
D
To hear those words
C
To feel that touch

G C
But you can't go back
G C
No you can't go back

G C

Living in the moment

G **C**

Is dangerous and blind

G **C**

But if you look back, too many times

G **C**

The shapes distort, and unwind

G

But they touched you

D

Softly touched you

C

And then it begins again

G

That scent of roses
