

**This Anarchistic Heart**  
**Rebekka Karijord**

**Am** **Em**  
There's a sound in my mind it is pulling me down the drain  
**Dm** **G**  
so im gathering all my forces of sense to stay sane.  
**Am** **Em**  
But I'm not in charge here I've already crossed that line  
**Dm** **G**  
I'm a victim to this anarchistic heart of mine

**C**  
I feel it tripping falling  
**Am**  
gripping crawling  
**Em**  
loving moaning  
**G**  
hoping howling  
**C**  
so run for your life now  
**Am**  
run for your life now  
**Em** **G**  
run for your life
