

This Anarchistic Heart
Rebekka Karijord

Am **Em**
There's a sound in my mind it is pulling me down the drain
Dm **G**
so im gathering all my forces of sense to stay sane.
Am **Em**
But I'm not in charge here I've already crossed that line
Dm **G**
I'm a victim to this anarchistic heart of mine

C
I feel it tripping falling
Am
gripping crawling
Em
loving moaning
G
hoping howling
C
so run for your life now
Am
run for your life now
Em **G**
run for your life
