

Drink Myself Drunk
Rebel Son

[Chorus 1]

Well I m gonna drink myself drunk, yeah you just wait and see
There ain t no-damn-body in the whole damn bar gonna be as drunk as me
I m gonna honky tonk all night long, I m gonna get fucked up
Yeah I m gonna juke until I puke, I m gonna drink myself drunk

[Verse]

When I drink I don t think about nothin but fuckin and fightin and drinkin
more
So I hope that big old bouncer don t end up throwin me through the door
So come closin time in case I m no where to be found
I m probably out in the parkin lot, passed out upside down

[Chorus 2]

Cause I m gonna drink myself drunk, yeah you just wait and see
There ain t no-damn-body in the whole damn bar gonna be as drunk as me
I m gonna honky tonk all night long, I m gonna get fucked up
Yeah I m gonna juke until I puke, I m gonna drink myself drunk

[Chorus 3]

Ho, well, hell I m gonna drink myself drunk, yeah you just wait and see
There ain t no-damn-body in the whole damn bar gonna be as drunk as me
I m gonna honky tonk all night long, I m gonna get fucked up
Yeah I m gonna juke until I puke, I m gonna drink myself drunk
Yeah I m gonna drink myself drunk, drink myself drunk
