

Constellation
Rebelution

No one had posted chords to this hauntingly beautiful song yet.
I suggest transposing down by 2 semitones and then using a capo on the second fret to make it easier to play.
Enjoy!

[Intro]

G#m C#m F# G#m x2

[Verse 1]

G#m C#m F# G#m
Sometimes I wonder where you are
G#m C#m F# D#
And if you miss my company
G#m C#m F# G#m
Go figure, I can see your stars
G#m C#m F# D#
Your constellation right on top of me

[Chorus]

G#m C#m F# G#m
What does your sign say today?
G#m C#m F# D#
I hope it mentions something of my name
G#m C#m F# G#m
And know that you re not tucked away
G#m C#m F# D#
I pray that I m not tucked away

[Instrumental Break]

G#m C#m F# G#m x4

[Verse 2]

G#m C#m F# G#m
Sometimes I wonder where you are
G#m C#m F# D#
And if you miss my company
G#m C#m F# G#m
And when I look up to your stars
G#m C#m F# D#
I can feel your loving energy

[Chorus]

G#m C#m F# G#m
What does your sign say today?

G#m **C#m** **F#** **D#**
I hope it mentions something of my name
G#m **C#m** **F#** **G#m**
And know that you re not tucked away
G#m **C#m** **F#** **D#**
I pray that I m not tucked away

[Instrumental Break]

G#m C#m F# G#m x4
