Em	D	Am
A heart like a lion, A burning like fire		
Em	D	Am
Waiting just to be set free		
Em	A	Am
A heart like a lion, A burning like fire		
Em	D	Am

How can I bear captivity

Em D Am Em D Am
Well Some they tell me I m a fool, a fool who walks this road alone
Em D Am Em D Am
So afraid of making changes, remember that nothing is carved in stone
Em D Am Em D Am
Oh tell me why we are so afraid of the secrets locked with in our souls
Em D Am Em D Am
Cuz everything that we re made of is dying just to be exposed

Em D
So don t turn your back on yourself, cuz there s nowhere to run
Am
And you know your life in a practice run
Em D Am
It s time to wake up your mind
Em D Am
Or maybe tomorrow will never come or maybe it will but by then it s too late
Em D Am
There s nothing left to do but cry
Bm C Bm C
And now you cry but you donâ€™t know why and now you cry but you donâ€™t know why

Em D Am
A heart like a lion, A burning like fire
Em D Am
Waiting just to be set free
Em A Am
A heart like a lion, A burning like fire
Em D Am
How can I bear captivity

Em D Am
So what you want to be now, well it s time to realize
Em D Am
That everything you need now has been right in front of your eyes
Em D Am
Don t point your fingers and blame, remember it s never too late to change
Em D Am
Don t point your fingers and blame, remember it will be okay

Em D
So don t turn your back on yourself, cuz there s nowhere to run
Am
And you know your life in a practice run
Em D Am
It s time to wake up your mind
Em D Am
Or maybe tomorrow will never come or maybe it will but by then it s too late
Em D Am
There s nothing left to do but cry

Bm **C** **Bm** **C**

C **D**
Cuz you never know when it s gonna come back around
