**Fm Eb Bbm Fm Eb Bbm**  
Well Some they tell me I m a fool, a fool who walks this road alone

**Fm Eb Bbm Fm Eb Bbm**  
Oh tell me why we are so afraid of the secrets locked with in our souls  
**Fm Eb Bbm Fm Eb Bbm**  
Cuz everything that we re made of is dying just to be exposed

**Fm Eb**  
So don t turn your back on yourself, cuz there s nowhere to run

**Bbm**  
And you know your life in a practice run

**Fm Eb Bbm**  
It s time to wake up your mind

**Fm Eb Bbm**  
Or maybe tomorrow will never come or maybe it will but by then it s too late

**Fm Eb Bbm**  
There s nothing left to do but cry

**Cm C# Cm C#**  
And now you cry but you donâ€™t know why and now you cry but you donâ€™t know why

That everything you need now has been right in front of your eyes

**Fm Eb Bbm**  
Don t point your fingers and blame, remember it s never too late to change

**Fm Eb Bbm**  
Don t point your fingers and blame, remember it will be okay

So don t turn your back on yourself, cuz there s nowhere to run
