F#m **E** **Bm**
A heart like a lion, A burning like fire

F#m **E** **Bm**
Waiting just to be set free

F#m **B** **Bm**
A heart like a lion, A burning like fire

F#m **E** **Bm**

How can I bear captivity

F#m **E** **Bm** **F#m** **E** **Bm**
Well Some they tell me I m a fool, a fool who walks this road alone
F#m **E** **Bm** **F#m** **E** **Bm**
So afraid of making changes, remember that nothing is carved in stone
F#m **E** **Bm** **F#m** **E** **Bm**
Oh tell me why we are so afraid of the secrets locked with in our souls
F#m **E** **Bm** **F#m** **E** **Bm**
Cuz everything that we re made of is dying just to be exposed

F#m **E**
So don t turn your back on yourself, cuz there s nowhere to run

Bm
And you know your life in a practice run

F#m **E** **Bm**
It s time to wake up your mind

F#m **E** **Bm**
Or maybe tomorrow will never come or maybe it will but by then it s too late

F#m **E** **Bm**
There s nothing left to do but cry

C#m **D** **C#m** **D**
And now you cry but you donâ€™t know why and now you cry but you donâ€™t know why

F#m **E** **Bm**
A heart like a lion, A burning like fire

F#m **E** **Bm**
Waiting just to be set free

F#m **B** **Bm**
A heart like a lion, A burning like fire

F#m **E** **Bm**
How can I bear captivity

F#m **E** **Bm**
So what you want to be now, well it s time to realize

F#m **E** **Bm**
That everything you need now has been right in front of your eyes

F#m **E** **Bm**
Don t point your fingers and blame, remember it s never too late to change

F#m **E** **Bm**
Don t point your fingers and blame, remember it will be okay

F#m **E**
So don t turn your back on yourself, cuz there s nowhere to run

Bm
And you know your life in a practice run

F#m **E** **Bm**
It s time to wake up your mind

F#m **E** **Bm**
Or maybe tomorrow will never come or maybe it will but by then it s too late

F#m **E** **Bm**
There s nothing left to do but cry
