F C F C
Iâ€™m hanginâ€™ up my walkinâ€™ shoes, Iâ€™m gonna bid farewell to the
travelinâ€™ blues

F C Am G F
No more chasing setting suns and livinâ€™ on the run

F G F G
Yeah the highwayâ€™s got what the dirt roads got and it donâ€™t matter if
youâ€™re happy or not

F C Am G F
Cause I been down â€™em all before and my babyâ€™s got a whole lot more

Am G F
Yeah my babyâ€™s got a whole lot more

I wonâ€™t miss the late nights and I sure wonâ€™t miss Econoline fights
No more roadside troubles and trials and endless empty miles
Yeah the small towns got what the cityâ€™s got and no one cares if you like it
or not
It donâ€™t matter what youâ€™re looking for cause my babyâ€™s got a whole lot
more
Yeah my babyâ€™s got a whole lot more

Guitar solo

Fiddle solo

Half a life has passed me by and I never stopped to wonder why
I always felt I had to roam and I never felt like I had a home
Yeah but, fateâ€™s got what victoryâ€™s got, repetitionâ€™s what historyâ€™s
taught
So I guess we all know whatâ€™s in store, but babyâ€™s got a whole more
Yeah my babyâ€™s got a whole lot more

Iâ€™m hanginâ€™ up my walkinâ€™ shoes, Iâ€™m gonna bid farewell to the
travelinâ€™ blues
No more chasing setting suns and livinâ€™ on the run
Yeah the highwayâ€™s got what the dirt roads got and it donâ€™t matter if
youâ€™re happy or not
Cause I been down â€™em all before and my babyâ€™s got a whole lot more
Yeah my babyâ€™s got a whole lot more
