The Last Goodbye
Reckless Kelly

[Verse 1]
```
     D                      Bm
The last goodbye really had me goin
   D                        Bm
Pullin  my strings all the while knowin
                  Em        D         A
You weren t leavin  anytime soon

        D                 Bm
The last goodbye really had me runnin  hot
      D             Bm
You turned me into something I was not
              Em                   D
You were determined to make me your fool
```

[Chorus]
```
   G                        D
This time around I won t come runnin
   G              D
No matter how hard you try
   G                          F#m            G
This time around I won t come crawlin  back to you
  Bm          A     G
This is the last goodbye
```

[Verse 2]
```
      D                   Bm
The last goodbye was tougher than the one before
  D                         Bm
Hard to believe you could hurt me any more
        Em             D           A
But you did it, here we go again

        D                 Bm
The last goodbye was nothing but a toy
    D                         Bm                         Em
You were cryin  wolf like the lonesome little boy in the story
                    D
But here s how it ends
```

[Chorus]
```
   G                          D
This time around I won t come runnin
  G                     D
```

```
No matter how hard you try
 G                                      F#m                G
This time around I won t come crawlin  back to you
  Bm           A         D
This is the last goodbye
  Bm           A         D
This is the last goodbye
  Bm      G D D
Goodbye
  Bm      G D D
Goodbye
  Bm      G D D
Goodbye
  Bm      G D D
Goodbye
```
