

**Nothing To Come Back To
Red Goodbye**

Nothing To Come Back To
Andrew Horn©

D **Dmaj7**
Hope is the match
 Bm
is the flame
 A **G**
that lights your wick
D **Dmaj7**
It burns you down
 Bm
tragic bound
 A **G**
to your dynamite stick
D **Dmaj7**
It blows a hole
 Bm
breaks the stone
 A **G**
of your foundation
D **Dmaj7**
There s a highway now
 Bm
in and out
 A **G**
of your one time mountain

So should i sink with this ship
that tried to cross your ocean?

The Captian i miss
Im sailing your lips
how i wish they would open

Everyword i ve said has been like bread
rested on your tongue and tasted
Rip my words apart with your teeth
only swallow what you think you need

D **Dmaj7**
THERE IS NO CHORUS IN OUR SONG
 Bm **A** **G**
WE VE BEEN WRITIN THE VERSE AS WE JUST MOVE ALONG
WE VE GOT NOTHING TO COMEBACK TO
D **Dmaj7**

I PLAY THE CHORDS AND YOUR WORDS ARE THE LYRICS

Bm **A** **G**
OVER AND OVER WE GO DELIRIOUS

I spent so long watching you bloom before you withered
I ran to get water for you but you fell to winter
I thought you were strong
I thought you'd hold on
But our roots had hardened
Found out I was wrong
That you belonged in someone else's garden

You are my only reason to write
ten thousand words on a blank page
But a full head at night

THERE IS NO CHORUS IN OUR SONG
WE'VE BEEN WRITING THE VERSE AS WE JUST MOVE ALONG
WE'VE GOT NOTHING TO COMEBACK TO

I PLAY THE CHORDS AND YOUR WORDS ARE THE LYRICS
OVER AND OVER WE GO DELIRIOUS
