## Dreams Of A Samurai Red Hot Chili Peppers

```
verse 1
Standing naked in your kitchen
Feeling free that I could be alive
Clearly I m a contradiction
Too young to be my wife
A peaceful storm is never hectic
Her mellow voice that I could be within
The uniform is anorexic
A jealous choice won t win
G
A metamorphosis samurai
Y got a little lord fish and I don t know why I got a
Metamorphosis samurai
verse 2
Paint your face cause I m a black foot
I thought I counted up the fireflies
Close enough to get a good look
Time to mobilize
```

```
G
A metamorphosis samurai
Y got a little lord fish and I don t know why I got a
Metamorphosis samurai
I m a lonely lad
I ve lost myself out on the range
I don t remember much
So don t ask me I ve gone insane
verse 3
Taking acid in a graveyard
Stealing food to keep the night alive
Every day I try to play hard
Even with my lies
The day they found you on a tour bus
The news was barren as a desert bone
The tabloids made a kind of small fuss
A couple pictures shown
G
I m a lonely lad
I ve lost myself out on the range
```

I don t remember much

So don t ask me I ve gone insane

```
G
Slowly turning into driftwood
No one ever wants to die alone
Thinking that a pretty gift could
Make you less unknown
Dirty sneakers on the pavement
The brilliant features of a common man
See the miracle of your life
С
No one ever can
I m a lonely lad
I ve lost myself out on the range
I don t remember much
So don t ask me I ve gone insane
Verse 5
See the world go by
The changes that we entertain
```

I don t recall it all

Remember I have gone insane
