theres no f**king way my solo is perfect but its a start for anyone who wants to correct it

Lyrics-----

About this planet, there is something I know
 There s a very big difference between above and below
 A friend, foe, or bro, leave your body on the floor
 Let your spirit fly away like the soul of a crow

Here above land, man has laid his plan
 And yes, it does include the Ku Klux Klan
 We got a government so twisted and bent
 Bombs, tanks and guns is how our money is spent
 We got V.D., heroin, greed and prostitution
 Tension, aggravation, L. Ron Hubbard solution
 Not to mention hard-core chemical pollution
 If you think a different way, you re in a mental institution
 And that s a heart felt shame

Cos everyone s crazy, everyone s the same
 So, why should only Larry, Curly and Moe be to blame?

Time now to take you to a different place

Where peace lovin whales flow through liquid outer space
 A groovin and a glidin as graceful as lace
 A never losing touch with the ocean s embrace
 Diviner than the dolphin, that there is none
 Cause dolphins just-a like to have a lot of fun
 No one tells em how their life is run
 And no one points at them with a gun
 They have a lot of love for every living creature
 The smile of a dolphin is a built-in feature
 They be movin in schools but everyone s a teacher
 Someday mister dolphin, I know I m goin to meet you

Back to the land of the police man
 Where he does whatever he says he can
 Including hating you because you re a Jew
 Or beating black ass, that s nothing new
 Trigger happy cops, they just like to brawl
 They use guns, clubs, gas, but that s not all
 They got puke, ridden prisons and sex sick jails
 *** the poor, if you re rich you pay the bail
 So support your police, support your local wars
 That s the way to open economic doors
 Why do we do it? Cause the president s a whore
 We assume the position to sell the ammunition
 What the ***? It s the american tradition
 Along with going fishin , apple pies in the kitchen
 Isn t it bitchin seeing dead men in ditches?

 have fun
