

The great apes  
Red Hot Chili Peppers

Intro:

F C F C  
Bb Dm G N.C.

Am G  
She s a box car rollin by  
Am G  
Like a black star in the sky  
Am G  
She s a failure once or twice  
Am G  
Like a trailer spinnin out upon dizzy ice

Am G  
Flowers fly when we grow old  
Am G  
Snakes get high, or so I m told  
Am G  
She s an eagle out on the road  
Am G  
Like my favorite Beatle everyone bought and sold

F C  
All of my love and half my kisses  
F C  
Superstar don t do the dishes  
Bb Dm G  
I just want the great apes to be free  
F C  
Come on now, you lazy cowboy  
F C  
Heads or tails, but not right now, boy  
Bb Dm G  
I just want the great apes to be free

Am G  
She s a rain bird on the prowl  
Am G  
Like an urge to be yourself that you won t allow  
Am G  
She s a forest that we burned  
Am G  
Just a blueprint for a life that we had never learned

Am G  
Flowers fly when we grow old  
Am G

Snakes get high, or so I m told  
           **Am**                                  **G**  
 She s a lynch mob on the street  
           **Am**  **G**  
 Take another step and I will kill the beat

**F**                                  **C**  
 All of my love and half my kisses  
**F**                                  **C**  
 Superstar don t do the dishes  
**Bb**                                  **Dm**                                  **G**  
 I just want the great apes to be free  
**F**                                  **C**  
 Come on now, you lazy cowboy  
**F**                                  **C**  
 Heads or tails, but not right now, boy  
**Bb**                                  **Dm**                                  **G**  
 I just want the great apes to be free  
 Solo

**Am**  **Am**  **G**  **G**  
**Am**  **Am**  **G**  **G**  
**Am**  **Am**  **G**  **G**

**Am**                                  **G**  
 She s a bus stop, glockenspiel  
           **Am**  **G**  
 She s a simulation life that you thought was real  
           **Am**  **G**  
 She s an image that we blurred  
           **Am**  **G**  
 It s a pixelated panther, now let it purr

**F**                                  **C**  
 All of my love and half my kisses  
**F**                                  **C**  
 Superstar don t do the dishes  
**Bb**                                  **Dm**                                  **G**  
 I just want the great apes to be free  
**F**                                  **C**  
 Come on now, you lazy cowboy  
**F**                                  **C**  
 Heads or tails, but not right now, boy  
**Bb**                                  **Dm**                                  **G**  
 I just want the great apes to be free

**F**  **C**  **F**  **C**  
**Bb**                                  **Dm**                                  **G**  
 I just want the great apes to be free  
**F**  **C**  **F**  **C**  
**Bb**                                  **Dm**                                  **G**  
 I just want the great apes to be free
