The curtain
Is open
A head to
Put dope in
Now we will
Come clean it
The future
We've seen it
No, no ,I know, I say no no

(**Em Bm**)

It's like a dream
That falls away
Into the night
Where we can play
I'm on a train
One happy day
Two eyes for sign
Three times I pray

(**Em Bm**)

Soda pop
We've got to set up shop
And when the weather comes
We've got a pressure drop
We don't know
But everyday I go
To see what I can bring
Into a cameo
Oh oh oh no
