Standard Tuning

Intro: **C Em F**

Verse:

C **Em** **F**
a rare and blistering sun shines down on grace cathedral park
C **Em** **F**
there with you i fear the time when air gets dark
C **Em**
you know i don t spend days like
F
this caught up in lost times of youth that i miss

Chorus:

Dm **F** **C** **F**
can almost hear rollercoasters see sailboats in the sea
Dm **C** **F**
hear noise and screaming weaving in and out of
G **C Em F**
happy music box sounds

Post-Chorus:

Eb5 **D5**
but here on the ground
C5 **Bb5 F5 E5**
we re so far away from that
Eb5 **D5** **C5 Bb5**
time turned older now

Verse

we walked down the hill
i feel the coming on
of the fading sun
and i know for sure
that you ll never be the one
it s the forbidden moment that we live
that fires our sad escape
and holds passion more that words can say

Chorus

Dm **F**

tell me why are you like this

C **F**

are you the same with anyone?

Dm **F** **C**

save me from my sickness and tell me

F

why do you treat me like?

Dm **F**

tell me why are you like this

C **F**

are you the same with anyone?

Dm **C** **F**

save me from my sickness and tell me

G

C

Em

F

why are you like this, why are you like this??
