

Nobody Like You
Red Rock Worship

[Verse]

C **G** **D**
You speak, and waters crash upon the sand
C **G** **D**
The oceans push and pull at Your command
C **G** **D**
You hold the moon and stars within Your hands
C **G** **D**
And all with just a breath, the world began

[Chorus]

G **Em**
God, there is nobody like You God,
C
There is nobody like You God,
G
And there will never be

[Verse]

C **G** **D**
When nothing we could do would be enough
C **G** **D**
From Heaven's highest place, You reached for us
C **G** **D**
My sin and shame forever overcome
C **G** **D**
The grave was overwhelmed by perfect love

[Bridge]

D **Em** **C** **G**
Your Name is greater, than any name I know
D **Em** **C** **G**
Your Throne is higher, than any other throne
D **Em** **C** **G**
You are the Author, the Creator of it all
D **Em** **C**
You stand alone, You stand alone
