Red Rocks Worship

**Eb** **Bb**  
You have searched me and known me  
**Eb** **Bb**  
You're ahead of my every thought  
**Eb** **Bb**  
All my ways are familiar  
**Eb** **Bb**  
You've memorized my words before I talk

**Gm** **F/A** **Bb**  
I could never get away  
**Cm**  
Why would I want to  
**Gm** **F/A** **Bb**  
For the night is bright as day  
**Cm**  
And dark is light to You

**Eb** **Bb**  
You are the One I praise  
**Eb** **Bb**  
And You say I'm beautifully made  
**Cm** **Gm** **F** **Gm**  
And Your thoughts are precious to me  
**Ebmaj7** **Bb** **F9** **Gm7**  
More than the sand as far as the eye can see  
**Ebmaj7** **Bb** **F9** **Gm**  
More than the sand as far as the eye can see

**Eb** **Bb**  
So search me and know my heart  
**Eb** **Bb**  
Remove from me every evil thing  
**Eb** **Bb**  
Try me and know my anxious thoughts  
**Eb** **Bb**  
Lead me in the way everlasting

**Gm** **F/A** **Bb**  
I could never get away  
**Cm**  
I wouldn't want to

( **Ebmaj7** **Bb** **F** **Gm** )

**Eb** **Bb**  
If I flew on the wings of the morning

**Eb**

And dwell in the farthest seas

**Bb**

Still there Your right hand is guiding

**Eb**

I wake and You're still with me
