I Will Trust
Red Rocks Worship
[Intro] A F#m D
  I can t see where I m going
The lines are blurred but You re showing me love
Love in the midst of the dark
I don t know what You re doing
But blindly I am pursuing You now
         C#m
Good Shepherd lead my heart
              F#m
 Come and do what You wanna do
             F#m
 You will do what only You can do
I wanna be where You are
No matter how far it takes me
Lead through the dark
        F#m
My Hope, You will not forsake me
                     E D F#m
   I will trust in You, I will trust in You
( A F#m D )
    I don t know where You re taking me
But I know that You re making me like You
The old is washed away
When I m tired of contending
