**D**

Live nude shows, goin on in my head

Your lipstick glows red

**C**

**D**

You kiss & blow and I wish I was dead

**G**

Cause you kill me every time

**C**

You kill me without even trying

**D**

**C**

**D**

**G**

But if you just bet on me, I ll be your surest thing

-chorus-

**C**

Cause baby you re my Las Vegas

**D**

And I don t know what I d do without you

**C**

**D**

**G**

Just hope and pray your chips fall my way real soon

**C**

Money s not an object to me

**D**

And incidentally, I hope you re not into objects, darling

**C**

**D**

**G**

Or for that matter... money, honey

But if you like dancing **C** And nickel-slot romancing  
**D**  
Well maybe you should give us a chance, then  
**C** **D** **G**  
Cause if you just say no, I ll probably die alone

-chorus-

Cause baby you re my Las Vegas **C**  
And I don t know what I d do without you **D**  
Just hope and pray your chips fall my way real soon **C** **D** **G**  
Cause baby you re my Las Vegas **C**  
And I can t afford to lose **D**  
What are the odds that you re going home with me real soon **C** **D** **G** **C**  
**D** **C** **D** **G**  
Vegas, Vegas in the night

Well baby you re my Las Vegas **C**  
A queen of of hearts and the king of all fools **D**  
Ain t enough lights in this town to outshine me and you **C** **D** **G**

-chorus-

Cause baby you re my Las Vegas **C**  
And I can t afford to lose **D**  
What are the odds that you re going home with me real soon **C** **D** **G**

(Baby you re my Las Vegas)

(And I don t know what I d do)

**D** **C** **D**  
Vegas, Vegas in the night  
**G**  
Burning bright  
**C**  
Burning bright  
**D**

The city lights
