## Best Is Yet To Come RED Song: Best Is Yet To Come Artist: RED Album: Until We Have Faces Copyright Provident Label Group LLC, a division of Sony Music Entertainment Verse 1: Am Afraid it won t come round again Am Afraid to move on Am Wishing I could go back when G Everything was easier and meaningful to me Wanting all we left behind Like it s the answer Am An hourglass we can t rewind Holding back the life that I ve denied for so long Can I find my way to you Chorus: And after all that we ve been through And after all we left in pieces I still believe our lives have just begun Cause now the past can be outrun And I know you are the reason I still believe the best is yet to come Verse 2: A photograph still in my hands

Am

The minutes rain like grains of sand

C G F

And time is just a war that s stealing dreams from within

F

So come and take them back again

Bridge:

F C G

I won t turn around

G

And let it all slip away

Am G

I m never backing down

C Am

Cause tomorrow s a new day

C Am F

And everything can change
