**RED**

Artist: Red

Song: Not Alone

Tabbed By: philboy93

Tuning: Standard

Key: **F**

[Intro]

**C Am F C G**

[Verse 1]

**Am** **F**

Slowly fading away

**F** **C**

Your lost and so afraid

**C** **G** **Am**

Where is the hope in a world so cold

**Am** **F**

Looking for a distant light

**F** **C**

Someone who could save a life

**C** **G** **Am**

Your living in fear that no one will hear your cries

**Am** **G**

Can you save me now

[Chorus]

**C**

I am with you

**G** **Am**

I will carry you through it all

**F** **C**

I won't leave you I will catch you

**G** **Am**

When you feel like letting go

**F** **G** **Am F C G**

Cause your not, your not alone

[Verse 2]

**Am** **F**

Your heart is full of broken dreams

**F**

Just a fading memory

**C** **G** **Am**

And everything is gone but the pain carries on

**Am** **F**

Lost in the rain again

**F** **C**

When will it ever end

**C** **G**  
The arms of relief seem so out of reach  
**Am** **G**  
But I am here

[Chorus]

**C**  
I am with you  
**G** **Am**  
I will carry you through it all  
**F** **C**  
I won't leave you I will catch you  
**G** **Am**  
When you feel like letting go  
**F** **G**  
Cause your not, your not alone

[Bridge]

**Am** **G** **Am**  
I'll be your hope when you feel like it's over  
**Am** **G** **Am**  
And I will pick you up when your whole world's ending  
**Am** **G**  
And when you're finally in my arms  
**Am** **F**  
Look up and see that love has a face

[Chorus]

**C**  
I am with you  
**G** **Am**  
I will carry you through it all  
**F** **C**  
I won't leave you I will catch you  
**G** **Am**  
When you feel like letting go  
**F** **G**  
Cause your not, your not alone

[Outro]

**Am** **G** **Am**  
And I will be your hope (You're not alone)  
**Am** **G**  
And I will pick you up  
**Am** **G**  
And I will be your hope  
**Am** **G**  
And I will be your hope  
**Am**  
Slowly fading away  
**F**  
Your lost and so afraid

C G Am
