Intro:

**Bb Dm F C** (x2)

Verse:

**Dm**

And I remember everything,

**F**

Everything I loved,

I gave it away like it wasnâ€™t enough

**Dm**

**F**

All the words I said and all you forgive

How could I hurt you again?

**Dm**

What if I let you in?

**F**

What if I make it right?

What if I give it up?

**Dm**

What if I want to try?

What if you take a chance?

**F**

What if I learn to love?

What if, what if we start again?

(Chorus)

**Bb Dm**

All this time

**F**

I can make it right

**C**

With one more try

**Bb**

Can we start again?

**Dm**

In my eyes,

**F**

You can see it now,

**C**

**Dm**

Can we start again, can we start again?

Verse:

Emptiness inside me, wonder if you see  
Itâ€™s my mistake and itâ€™s hurting me

I know where weâ€™ve been

How did we get so far?  
What if, what if we start again?

All this time  
**F**  
I can make it right
