Em

Wish you were here

C D

Me oh my country man

G B7

Wish you were here

Em

Wish you were here

C D

Don t you know the stove is getting colder

G B7

And I wish you like hell

Em

And I m feeling blue

Am D Em B7

Em

Wish you were here

C D

Me oh my country man

G B7

Wish you were here

Em

Wish you were here

C D

Don t you know the stove is getting colder

G B7

And I wish you like hell

Em

And I m feeling blue

E Am

I ve got feelings for you babe

D G B7

Do you still feel the same

E Am

From the first time I laid my eyes on you

D

I felt joy of living

G B7 Em

I saw heaven in your eyes in your eyes

Em

Wish you were here

B7

Wish you were here

Em

Wish you were here

C

D

Don t you know the stove is getting colder

G

B7

And I wish you like hell

Em

And I m feeling blue

Am

I miss your laugh I miss your smile

Em

I miss everything about you

Am

Every seconds like a minute

B7

Every minute like a day

Em

When you re far away

Am

Wish you were here

F

G

The stove is getting colder baby

C

Em

I wish you were here

Am

Wish you were

F

G

A battlefield of love and fear

C

Em

And I wish you were
